## Experience

### Aldoj Amazing consults | Lagos

Frontend Developer

August 2023 – January 2024

- Developed user interfaces with HTML, SCSS, Javascript and React and ensured a friendly user interface.
- Regularly debugged code and maintained quality standards.
- Assisted in gathering requirements and designing associated user stories.
- Implemented and tested application functionality to ensure successful operations across all platforms.

### FIRS | Jos PL (NYSC)

IT Support Engineer

April 2022 – March 2023

- Provided Help Desk-based IT phone support to end-users for a fast-paced web hosting firm, including troubleshooting, server support, and customer service.
- Maintained 15% above average customer satisfaction in post-call surveys. Used deep compassion and listening skills for the best customer experience.
- Became a trusted resource through high-level problem-solving skills.

### Beta quick | Lagos

Frontend developer Intern

August 2021 – January 2022

- Developed, maintained, and shipped production code for client websites primarily using HTML, CSS, Sass, JavaScript, and jQuery.
- Ensured seamless user experiences across various devices.
- Collaborated closely with design teams to transform wire-frames and mock-ups into functional webpages.
- Performed quality assurance tests on various sites to ensure cross browser compatibility and mobile responsiveness.
