ABOUT ME

Experienced full stack developer whose motivation lies in the crafting of digital experiences

WORK EXPERIENCE

[11/08/2023 – 12/01/2024] **Web developer**

Aldoj Amazing consults

City: Lagos | **Country:** Nigeria

• Developed user interfaces with HTML, SCSS, Javascript and React and ensured a friendly user interface.

• Regularly debugged code and maintained quality standards.

• Assisted in gathering requirements and designing associated user stories.

• Implemented and tested application functionality to ensure successful operations across all platforms.

[14/04/2022 – 15/03/2023] **IT support officer**

Federal Inland Revenue Service

City: Jos | **Country:** Nigeria

• Provided Help Desk-based IT phone support to end-users for a fast-paced web hosting firm, including troubleshooting, server support, and customer service.

• Maintained 15% above average customer satisfaction in post-call surveys. Used deep compassion and listening skills for the best customer experience.

• Became a trusted resource through high-level problem-solving skills.

[06/08/2021 – 08/01/2022] **Software developer**

Beta quick

City: Lagos | **Country:** Nigeria

• Developed, maintained, and shipped production code for client websites primarily using HTML, CSS, Sass, JavaScript, and jQuery.

• Ensured seamless user experiences across various devices.

• Collaborated closely with design teams to transform wire-frames and mock-ups into functional webpages.

• Performed quality assurance tests on various sites to ensure cross browser compatibility and mobile responsiveness.

EDUCATION AND TRAINING

[17/11/2016 – 21/11/2021] **Bachelor of Science / Education**

Lagos state University https://www.lasu.edu.ng

City: Lagos | **Country:** Nigeria |

[20/02/2020 – 14/03/2021] **Backend Engineer Certification**

ALX Holberton school https://www.alxafrica.com/

City: Nairobi | **Country:** Kenya |

PROJECTS

[12/09/2023 – Current] **Nene's Delicacy**

An ecommerce platform dedicated to selling baked goods. Built using Django for the backend and React for the frontend.
